Court Halts Action On Garbage Plan

Electric Rate Survey Took Time, Work

By ALVIN GUTHERTZ

It cost $11, nearly 20 hours of work, and a number 3 bearing in his car, but Peter Veitch, along with the aid of his 15-year-old son, Tommy, is the man who first surveyed and mapped out the entire Orinda area now being studied for a special electric rate area.

Although Veitch surveyed all of Orinda, the area now under study by the Public Utility Commission includes section of Moraga Meadows, Moraga Gardens and Moraga Woodlands.

Veitch was assigned the survey task during a meeting of the Board of Directors of the Orinda Association.

THE TASK WAS SIMPLE: merely take a survey of Orinda and find out what sections, if any, are eligible for a special electric rate area.

Now in comparison to New York or San Francisco, Orinda may seem but a dot on the map, but to someone driving slow in first and second gear, up and down all the hills, stopping at each home, Orinda can seem like a mighty big metropolis.

Veitch knew he'd need some help so he had his son Tommy join in the survey.

However, Tommy, like many young fellows his age, is an enterprising youngster. So papa Veitch had to proposition his offspring at a price of one-half cent per house surveyed.

THIS BUSINESS transaction ended up as a mighty expensive proposition for Veitch, as the final pay check came to a grand total of slightly more than $11.

It took Veitch nearly 20 hours as he drove over the entire area which covered nearly 100 miles.

The climax to all this field work occurred several days later when Veitch was on a business trip to Southern California. His car, after this workout, "conked out."

After finally getting the survey, Veitch prepared his brief, and appeared before the Public Utilities Commission during a recent hearing.

THE MAP FIRST shown to the group has been slightly changed with certain boundaries rearranged and some new territory added.

This rate area, now under study, is determined by the number of people per pole mile in the area.

If this special area for Orinda is passed, Orinda would be switched from a Zone 6 classification, which it now is, to a Zone 5 classification.

Special rate areas were first introduced in the electric tariff of the Pacific Gas and Electric Company in July, 1939.

New Setup for Sewer District's Engineer Staff

Reorganization of the civil service setup for employees and new regulations for sewer connections have been put into effect by the Central Contra Costa Sanitary District Board.

Although the new civil service setup affects all 36 employees, including the engineer and the attorney for the district, the major change, according to District Engineer Gerry Horstkotte Jr., in an organizational one for the engineering-administrative staff.

UNDER THE SYSTEM, recommended by Horstkotte, responsibility, under the engineer, is delegated to an office manager, a person in charge of field and office engineering, a person in charge of inspection and maintenance and another in charge of treatment plant and pumping plant operation.

Duties of the other eight persons on the engineering-administrative staff are spread out under those four.

SALARY RAISES amounting to a 3.9 per cent over-all increase have been put into effect. The new salary arrangement, according to Horstkotte, is a combined security-merit system, with the board acting on recommendations by the engineer. This replaces the former system of an automatic 5 per cent increase every year; last such yearly increase was in August, 1951, Horstkotte said.

The new civil service and salary systems were adopted August 21 when the board also adopted an ordinance, held over from August 7, regarding sewer construction.

THIS ORDINANCE includes new specifications, particularly concerning joints where sewer lines connect with other sewer lines. Formerly, cement with a hardener additive was used, but this was found to break easily in adobe soil when the soil shifted during bad weather ,since the compound was not flexible enough. The new joining material specificed is a semi-plastic, aphaltic material.

Only joinings where the new compound is not to be used are where house sewers connect with street sewers, Horstkotte said.

Under the salary arrangements for employees, salaries of the attorney ($750 a month) and the engineer ($775 a month) remain unchanged.

Call Issued for Civilian Defense Hiway Patrolmen

A need for California Highway Patrol Auxiliary emergency Civil Defense training unit volunteers in Lafayette and Orinda has been announced by E. L. Murley, head of the Lafayette group.

These groups meet at the Lafayette Fire House every other Wednesday at 8:30 p.m. Volunteers may contact Captain G. A. Belon of the highway patrol, or Murley at Lafayette 9940. Next meeting is set for next Wednesday.

THE GROUP, which is still at the organization stage, is trained by traffic officer Herbert Lessley.

The men have been learning the Vehicle Code, laws of arrest and traffic control methods. They receive the same training as regular patrol cadets.

Uniforms are expected to arrive at any time now. These uniforms are the same as those worn by regular highway patrol officers, with the exception of the shoulder patch.

AS SOON AS all volunteers receive 56 hours of training, they are allowed to go on patrol rides as observers and help in road blocks.

Other men serving with Murley in this area are A. R. Bliesner, Ronald Brown, L. H. Curtis, Martin J. Duffy, William James Dibble, Robert Felix Guichard, Karl T. Goeppert Jr., T. L. Haydon, T. R. Hart, Bernard Hanson, Bob B. Ferro, Adolph Panfili and Elwyn Williams.

Lions Barbecue Tomorrow Night

The annual Orinda Lions Club barbecue will be held tomorrow night starting at 7 o'clock at the Carroll Ranch. George Hartzell Jr. is chairman of the barbecue committee.

In a news release last week, it had been erroneously reported that th barbecue was set for September 9.

Tickets for the affair are now on sale at $3 each and may be obtained from any Lions Club member. No tickets will be available at the door.

Only 150 persons can be accommodated, so those wishing to attend have been asked to get their tickets at once.

Entertainment will be outstanding, and excellent steaks have been contracted for, Hartzell said.

This is the Lions' eighth annual barbecue.

Next Thursday Is Final Day For Registration

Next Thursday is the final day to register for the coming election!

In order to vote in November, those persons who are not properly registered must act now.

The following persons in Orinda are official registration deputies, according to Walter Paasch, county clerk:

Mrs. Helen Drews, 166 Canon Drive; Warren and Mrs. Arline Harrold, 109 Orinda Highway; John Wylie Loop, 10 Moraga Highway; Mrs. Marian Thomas Morrish, 35 Irvine Drive: Orinda Fire Station No. 2; Ernest T. Rahmeyer, 49 La Cuesta Road; Mrs. Jean Dulin St. Hill, 600 Tunnel Road.

LOOKS LIKE PLENTY OF GRUB for that Eighth Annual Barbecue of the Orinda Lions Club at Carroll Ranch tomorrow night. These members of the food committee are making sure that good appetites will be well served. Left to right, they are John Stoffel, Dr. Wirt Eller and Joe Navone, chairman. — Photo by C. P. McVicker

Yes Kids, School Starts Wednesday

The calendar doesn't lie — so, kids, summer vacation is just about over, and school opens next Wednesday.

On Tuesday and Wednesday of this week, pupils new to the Orinda School District were registered at Orinda School. Unregistered new pupils will not be accepted on opening day, but may sign up after that.

In a final "vacation period" get-together, the Orinda School Board met in regular session Wednesday night at Orinda School.

THE FOLLOWING schedules were announced by Schools Superintendent Joseph L. Sheaff:

Orinda School — classes start: A. M. kindergarten, 9; A. M. 1st, 2nd, 3rd grade, 8:30; P. M. kindergarten, 12:30; P. M. 1st, 2nd, 3rd grade, 12:30; regular classes, 4th through 8th, 9.

Orinda School — classes dismissed: A .M. kindergarten, 11:15; A. M. 1st, 2nd, 3rd grades, noon; P. M. kindergarten, 8; P. M. 1st, 2nd, 3rd grade, 4; regular classes, 3.

Glorietta School — classes start: A. M. kindergarten, 9; A .M. 1st, 2nd, 3rd grade, 8:30; P. M. kindergarten, noon; P. M. 1st, 2nd grades, noon; regular classes, 3rd through 6th, 9.

Glorietta — classes dismissed: A. M. kindergarten, noon; A. M. 1st, 2nd, 3rd grade, noon; P. M. kindergarten, 3; P. M. 1st, 2nd, 3rd grade, 4; regular classes, 3; 3rd grade, 2.

MILK WILL BE available on the opening day. No students are permitted to go to the Village for lunch. There will be a full day of school on opening day.

"Parents should remember that it takes at least a week to get the bus schedule to operate properly. This is caused by new drivers, new bus routes, and getting all the boys and girls used to riding on the bus," Sheaff said.

Blood Drive Nets 61 Pints; Scouts Get 27

Only 61 pints of blood were donated when the Bloodmobile made its appearance in Orinda August 28, but Boy Scout Troop 207 secured 27 pledges and helped make the drive as successful as possible.

Fourteen members of the Orinda Lions Club, the group which sponsors Troop 207, donated blood, while the boys were able to get 13 other pledges in their house-to-house campaign.

The following boys helped with the drive: Jeffrey Rodden, David Blaney, Steve Parks, Henry Moylan, Wendell Williams, Gary Bottger, Steve DeMaria and Bill Ready, according to Scoutmaster T. G. Cullen.

Frying Pan or Fire? All Same To Weather Man

In the frying pan or in the fire, it all "boiled" down to but one thing for Orindans . . . during the past week it was hot!

During the week from Thursday, August 28 through Wednesday, thermometers zoomed to 105 degrees on Labor Day, the second hottest day ever recorded by Arthur Bowman, cooperative observer in Orinda for the U. S. Weather Bureau. Last year, on September 2, the record was set, when Old Man Weather blasted this area with 109 degrees of heat

Yet, as hot as it was, a cold of 43 degrees was reported Sunday night. This was the coldest point of the week, and revealed a true "study in contrast."

There wasn't a single drop of rain reported during the entire week, however.

No Decision Yet On Rick's Liquor License Case

Decision by the State Board of Equalization on the much disputed on-sale general liquor license application of Rick's Drive Inn had not as yet been reached by Wednesday, according to J. W. Soares of the Oakland office of the State Board.

Following last week's hearing, conducted by Ivores R. Dains of San Francisco, hearing officer of the Board of Equalization, the case was taken under submission for a ruling by the state board.

Over 300 persons attended the all-day hearing, which was held in Martinez. John Bohn of Lafayette acted as counsel for the persons protesting the application, while George Gordon and Richard Johnston of Martinez argued for the license.

A. R. Bliesner, Helen Groves, and C. J. Garibotti have applied for the license that has caused such heated arguments because of its proximity of the site of Acalanes High School.

No New Cases Of Encephalitis In This Area

There has been a slight decrease in cases of encephalitis (sleeping sickness) reported in the county during the past week, and not a single new case has been reported in this area, according to Dr. H. L. Blum, county health director.

The two persons in Orinda who have been reported with the disease are still resting in an Oakland hospital and the one case in Lafayette is "coming along as expected," it was announced.

DURING THE meeting of the County Boundary Commission Tuesday, boundaries of three proposed new mosquito abatement districts were approved. A public hearing on the formation of the districts has been set by the Board of Supervisors for September 30 at 10 a.m.

The three new proposed districts include the Concord, Briones and Richmond areas.

According to Ernest Campbell, manager of Mosquito Abatement District No. 1, Lafayette, Orinda and a good part of Walnut Creek are in his district.

"Only Moraga and a section west of Pleasant Hill near Walnut Creek are not included in Mosquito Abatement District No. 1.," Campbell said.

"There should be no concern about daytime travel as the Cuelx Tarsalis mosquito is a night-biter."

BY FOLLOWING these rules, risk of exposure to mosquitoes can be reduced greatly:

Use mosquito repellent if you're to be out after dusk and, if possible, travelers should sleep in a well-screened room.

The County Health Department lists the following don'ts:

Don't report stagnant water in creeks which are visible from any commonly used road, as they are now being sprayed: don't report any mosquitoes as present unless you are sure they are present.

The following "do's" are stressed:

Do report any mosquitoes spotted and estimate approximate number seen in one evening; empty any containers on your premises holding water, or cover with DDT, fly spray, light oil or kerosene; report any unusual nearly stagnant water source that you are unable to handle yourself; above all, keep in mind that the Health Department and the Mosquito Abatement District need good, auhentic information for their field work.

Petitions, Meeting Condemn Passage Of Franchise Law

Over 2500 signatures are on petitions which have been circulated throughout this entire area condemming the recent action of the Central Contra Costa Sanitary District Board of Directors in suddenly passing the garbage franchise ordinance.

The petitions were one plan of action discussed at a meeting August 28 at Lafayete Grammar School, which went on record against the candidacies of Sanitary District Directors Harold Toland and R. E. Wadsworth.

Over 33 representatives of various improvement associations from Orinda to Gregory Gardens attended the meeting, which was presided over by Summer McAllister of the Lafayette Improvement Association.

THE PETITIONS, which were introduced to the gathering by Frank Hazard of Gregory Gardens, are addressed to the Sanitary Board and state:

"We, the undersigned, are opposed to the issuance by you of an exclusive franchise to collect garbage within the district.

"We condemn the manner in which you adopted a regulation providing for such a license as the last item of business transacted at a general meeting at which the matter was not on the agenda.

"We assign your reason for this conduct as the inability of the majority of your board to face the public in this issue.

"We demand that you issue no exclusive license under the regulation or otherwise until you have first submitted the principle to approval of the electorate, either at a general elecion or at a special election called for that purpose."

THE GROUP PRESENT, which took all action as "individuals," unanimously voted to oppose the candidacies of Directors Toland and Wadsworth, incumbents who have filed for reelection. Toland and Wadsworth have been active proponents of the garbage ordinance.

This motion was presented to the group by R. J. Mitchell of the Gregory Gardens Improvement Association.

In another action, a four-man committee to check on the Sanitary Board and its future meetings was appointed. This committee consists of Clint Hallsted of the Orinda Association, Francis Cornish of the Pleasant Hill Improvement Association, Frank Hazard of the Gregory Gardens Improvement Association and Milton Adair of the Lafayette Improvement Association.

The group discussed at some length the candidacies of Irving Roemer, Frank Salfingers, and Ernest Spiegel.

Although feeling ran "high" by many members present for their support, no action was taken on their behalf.

AT THE START of the meeting, possible legal action was discussed. Cornish, a well-known attorney, and David Dolgin, attorney with Robert L. Condon for Boyd Olney Jr. of Pacheco, garbage dealer opposed to the franchise ordinance, stated that any legal action would be up to Olney, as he is the party immediately involved and should be done in Olney's name.

(On Wednesday, Superior Judge Hugh H. Donovan issued a temporary restraining order forbidding the Sanitary Board from letting an exclusive garbage franchise. See separate story.)

The meeting opened with McAllister's giving a brief review of the Sanitary Board's dispuated action. McAllister is chairman of the Lafayette Improvement Association's committee on Sanitary District activities.

"It is hard to have confidence in this type of board," McAllister said.

Salfingers added that the board had "violated the right of their duties."

"They may be legally right, but they're not morally right," Cornish said.

MITCHELL MENTIONED the fact that competition gives better service and Cornish said, "We've had government "control" for years now, but has it kept cost down?"

One person, Stewart Dinwiddie of Lafayette, even went as far as to compare the garbage franchise with the mob rule Kansas City experienced for so many years. 'It was the garbage contract that paid the best for the big shots," he declared.

"Only as a vigilance committee can we make ourselves heard through our improvement groups," one person commented as the meeting ended. "It's good to organize groups like this for civic affairs."

Sample Ballots Sent, Precincts Set for Sept. 15

Twenty-five thousand sample ballots, listing candidates for the Board of Directors of the Central Contra Costa Sanitary District in the September 15 election, were being mailed this week to voters in the district.

Six consolidatd polling precincts have been set up. Voting hours will be from 7 a.m. to 7 p.m.

NINE CANDIDATES are running for three directorships. Terms are for four years. The candidates are:

Incumbents Harold W. Toland of Walnut Creek and R. E. Wadsworth of Orinda, seeking reelection; incumbent Vance W. Perry of Orinda and Walnut Creek, named recently by the board to fill the brief remainder of the term of Colonel H. M. Smitten, who resigned as director and whose term was to have expired this month; Irving C. Roemer of Lafayette, Frank W. Salfingere of Gregory Gardens, Ernest J. Spiegl of Orinda, Colonel Francis J. Clune of Walnut Creek, Gilbert F. DeBora of Lafayette and David L. Rockwell of Pleasant Hill.

Holdover directors are Elliott Johnson, board president, and William Malott.

POLLING PLACES will be as follows:

Consolidated Precinct 1 — Fire station, Oak Park Boulevard, Pleasant Hill; for precincts and portions in Pleasant Hill, Vine Hill and Pacheco areas.

Consolidated Precinct 1 — Central Contra Costa Sanitary District office, 1822 Mt. Diablo Boulevard, Walnut Creek; for precincts and portions of the Walnut Creek area and a part of Concord 23 and Alamo 2.

Consolidated Precinct 3 — Anderson Real Estate office, 2051 Mt. Diablo Boulevard, Walnut Creek; for all or portions of Saranap precincts.

Consolidated Precinct 4 — Veterans Memorial Building, Lafayette; for all or portions of Lafayette precincts.

Consolidated Precinct 5 — Harrold's Real Estate office ,109 Orinda Highway, Orinda; for all or portions of Orinda precincts, and part of Alhambra 3.

Consolidated Precinct 6 — Moraga Grammer School, Moraga; for all of Moraga 2 and parts of Moraga 1 and St. Mary's precincts.

Nearly 60 Acres Destroyed in Two Savage Fires!

Nearly 60 acres were destroyed in two savage fires in the Orinda area during the past week.

On Monday, 10 acres of land at the end of La Cuesta Road on the hillside above the Orinda Community Center were destroyed in a blaze started by youngsters, according to M. Guido, an Orinda fireman.

NEARLY 40 FIREMEN and nine pieces of equipment from Orinda, Lafayette and the East Bay Municipal Utility District were called to battle the blaze.

At one point, the fire threatened three private homes.

Russell Myers, 49, of 208 Gormley Avenue, Oakland, an E.B.M.U.D. fire volunteer, received second degree burns on the arms as he helped battle the fire.

ALMOST 50 ACRES of grass, brush and tree land were destroyed in a grass fire Sunday afternoon.

This fire blazed near the Kaiser Quarry, about three-quarters of a mile west of Orinda Crossroads.

E.B.M.U.D. sent several pieces of equipment, as did the Moraga Fire Department ,to battle the blaze.

"Cause for this fire was unknown," Guido said.

Injunction Bars Garbage Contract By Sanitary Board

A temporary restraining order against the Central Contra Costa Sanitary District and its directors, enjoining them from entering into a contract with anyone for an exclusive garbage franchise, was signed by Superior Judge Hugh H. Donovan in Martinez Wednesday.

Obtained by Boyd Olney Jr. of Pacheco, independent garbage collector opposed to the ordinance which was passed 3 to 2 in a surprise move by the Sanitary Board August 21, the temporary injunction is effective until next Friday, September 12, when a hearing will be held before Judge Donovan to determine whethr or not the injunction should be extended beyond that date.

OLNEY IS represented by Attorneys Robert L. Condon and David A. Dolgin, who had filed a complaint against the district for an injunction. The complaint charged that:

1.—The ordinance is unconstitutional and illegal in that it purports to make the violation of the ordinance a crime. Olney contended that only a city, a county or the State Legislature can establish criminal provisions.

2.—In the guise of regulating garbage collection, the board really passed a revenue measure which is beyond its power.

3.—The district board ignored the general state law relating to the granting of franchises and the procedures that must be followed before a valid franchise can exist.

4.—BOARD MEMBER Harold Toland, in his private capacity, is doing business with three of the private garbage collectors who have indicated that they will submit a bid for the exclusive franchise. It is alleged that this business transaction by Toland would make illegal any contract with these collectors that the district may enter into if Toland participates in the action.

(Editor's note: Disclosure that Lafayette Disposal Service, Orinda Garbage and Refuse Disposal Service and Valley Scavenger Company of Walnut Creek are now buying gasoline from Toland, distributor for Seaside Oil Company, was published in the August 1 SUN.)

Attorney Dolgin stated: "We believe that the overwhelming majority of the people living within the Central Contra Costa Sanitary District will be cheered as a result of Judge Donovan's restraining order. The garbage ordinance was bootlegged through at a meeting where it was not on the agenda and despite the storm of protest from nearly every improvement club in the district.

"SINCE THE ELECTION of new directors for the district is scheduled for September 15, we hope that as a result of our lawsuit no action will be taken until the new board convenes after the election.

"The new board, which may well have a different composition from the present board, can then give the problem the study that it requires, and we confidently expect the new board to reach a different conclusion from the board now in office."

A Good Defense Is The Best Security

The claim has often been made that the best defense is a good offense. This may be true in regard to national security, but not on our highways.

The best policy on the highways, according to the California State Automobile Association, is to be always prepared to defend yourself against the mistakes of other drivers.

HAPPY DAYS were enjoyed by many this summer at Orinda Park Pool. Even this past week's near-record heat didn't seem quite so bad to the plungers, waders and swimmers at the popular spot. Here is a typical scene at the pool. This Sunday, at 2 p. m., the annual swimming meet between Orinda Park Pool and Orinda Country Club, traditional rivals, will get under way at the Country Club. —SUN photo by Earl Reed

Annual Swim Meet Set for Sunday

Annual swim races between the Orinda Park Pool and the County Club have been set for Sunday, starting at 2 p.m. at the Country Club.

Gil Callies, swim instructor at the country club, will hold tryouts tomorrow and will select teams to participate in the event.

For the past week, Bob Edwards, Park Pool swim instructor, has been selecting his swim squads for the races.

Campaign Side-Note: Harmony a Goal In Sanitary Board Election Sept. 15

By POLITICUS

A week and a half from now, voters of the Central Contra Costa Sanitary District will elect three directors to the district's Board of Directors. Everyone knows about that, and the campaign is in full swing.

Apart from the other implications, which are covered by articles elsewhere in this issue, there is the hope by many that the new board will be one which will act in harmony and in full public light. For one thing which has almost consistently marked the proceedings of the district board since the inception of the district has been bickering.

THIS BICKERING has on occasion almost led to fisticuffs among board members. It has made the board the target of justified jibes by the general public. And it is generally recognized that it has seriously impaired the efficiency of the board.

Observers point out factors responsible for the many headaches of the board include:

1. — Personality differences of board members, and sharply divergent views on key district matters.

2. — Too many jobs to do in too little time.

3. — **NATURAL CAUSES** which are nobody's fault — the extremely varied terrain of the district, ranging from the hilliness of Orinda to the flat expanses of areas in the Walnut Creek-Concord vicinity; bad winters, such as last winter, resulting in numerous slides and in damage to sewer lines and other equipment.

So, lik an overtone in a symphony, the hope persists, through all the campaign activities and all the arguments, that harmony and resultant increased efficiency will be an aftermath of the September 15 election.

THE EMPLOYEES of the district are hard-working and conscientious. Naturally, all the bickering and uncertainty hasn't exactly contributed to their sense of security.

They join other residents in the hope that the September 15 election will mark a "coming of age" for the Board of Directors of the Central Contra Costa Sanitary District.

About our happy Country Folks

By EDITH BOLMAN

HERE WE GO AGAIN — FASHION SHOWS. Now that we were just sitting back to relax and enjoy the summer after finally getting all the cotton dresses re-hemmed, we find it incumbent upon us to start thinking about Fall woolens, furs and velours! The mention of new seasonal clothes always brings a peculiar glint to the eye of any woman, and the charming little chambray she thought was pretty nifty begins to take on a sort of too-many-times-through-the-washing-machine appearance.

So, girls, if you want to find out whether this year's bustle is to be worn fore or aft, kindly consider the two forthcoming possibilities:

Heidi Chapter of the Children's Home Society — September 18 — Diablo Country Club — Fashion Show and Luncheon.

The clothes from Joseph Magnin — Lindburg, to be worn by professional models, and the theme "Flights of Fashion," featuring clothes appropriate for air travel, have inspired a heavenly theme attitude on the part of the decoration committee, which plans to cut loose with that plastic foam stuff which makes such fascinating looking stars, clouds, moons, etcetera: and one good sneeze will send the whole works floating out the window and up to the real heavens. If you would like a opportunity to witness that edifying spectacle just call Mrs. William Beatty at Orinda 2062 or Mrs. Morris Browning at Orinda 7501.

And the next one is to be put on by the Bus Mothers — yes — that is what the lady told us — it seems that the children in the Santa Maria Parish who go to various schools in town have the same old problem as everyone else — transportation — so guess who has to figure it out? — Mother, of course — so the Santa Maria Mothers Club is having a Fashion Show to help solve the problem, and we forgot to ask whether it is for the purpose of buying a new bus, gas for the old one, or what have you, but anyway here are the facts: September 17 at the home of Mrs. Edward Maloney on harles Hill Road — the clothes from Hill and Dale, cocktails and luncheon in the gardens.

Mrs. Maloney is general chairman, Mrs. Fred Federighi and Mrs. John Gillivan are in charge of the hostesses, Mrs. William Keating is to commentate and Mrs. George Klement is in charge of the following models: Mesdames Don Parle White, Henry Donovan, Robert Kromer, James Gallagher, John Eppersen, Robert Boyle, William Straus, Pul Stafford, John Reilly Jr., Richard Watters, Robert Little and Le Martin Spittler.

As an added attraction Betty De Mott, home economist, will give a talk on means of economy in the home, which is a fine idea because if she can help you figure out how to save a few dollars from the household budget you can talk yourself into spending four times that much on the clothes from Hill and Dale.

BIG NEW BUSINESS OPERATION on Miner Road — Cakes and Cokes — owned and operated by some young Odenthalls and some young Nollers and protected by Mothers Odenthall and Noller when the young have to make necessary trips to the Village to renegotiate the source of supply. Hot golfers on a hot day were grateful for the idea.

Station wagon, station wagon, oh wherefore art thou station wagon? In the good old days when a girl went calling on her chums and came out after a spell to discover that her horse and buggy had disappeared, it was naturally to be assumed that Dobbin had pranced off through the fields to chew the fat with Dobbinette. But fancy a girl's amazement in this present period of mechanized and obedient locomotion to lose in broad daylight a not-to-be-taken-away-lightly station wagon!

Mrs. James Freeman stopped by the other afternoon to chat and to charm Mrs. Frank Dunn with a few food stories she had heard recently, and when time came to go home she went out to get into her bus and was considerably abashed to find no bus. Everybody in the Dunn family accused everybody else in the Dunn family of going just a little too far with this practical joke business. Then somebody looked over the ditch on the other side of Charles Hill Road, and there lay station wagon, waggin' its wheels behind it.

Parties: Judy Dunn entertained at luncheon for eight, and then everyone scrambled off to Walnut Creek to go swimming in Fay Davis' swimming pool. Mr. and Mrs. Frank Fee gave a going-away cocktail party for the departing Moncures. Mr. and Mrs. Charles Lohse gave a cocktail party for Bett Hession. Mr. and Mrs. Lyle York entertained with cocktails and dinner for new arrivals Mr. and Mrs. E. R. Holabird. Mr. and Mrs. Robert Bardell barbecued for friends on Saturday last. Mrs. Melvin Jacobus entertained at luncheon for Mrs. Stuart Campbell, who is visiting here from Beirut.

Returnees: The Jack Frasers from Tahoe. The Norris Wiggins from Rainbow Lake. The William Fosters from Coronada. The James Norths and Nipper from a fishing trip. Mrs. Herbert Dwight and son Bob from the MacKenzie River. Miss Gay Bolman from Honolulu. The Joseph Langs from Clear Lake. The Edgar Stewarts from(Great guns, we forgot to find out — small daughter, our newest informer, gets the front end of more good stories, now that she is evincing a little irterest in the column and prides herself on raking in the news — must teach her how to get all the facts).

Celebrity running around loose — Alan Jenkins, the sourpuss of movie and stage fame, was seen by us, of all people, having lunch at the Orinda Country Club on Sunday. We nearly had a psychological upheaval right in the foyer because we could remember the face but not the name, so our loyal friend and co-luncheon eater, Mrs. Norman Krey, went on a sleuthing expedition through the theater section of the Sunday paper, and sure enough there he was playing in "Remains to Be Seen" in San Francisco.

MORE ABOUT THAT LETTER home from Bill and Tom Morrish in Europe:

AT FOLLIES BERGERE:" Entering the lobby, we bought a program from a little man whose line was "It cost me 100 francs, Sonnie," meaning 'how about a tip." We tipped and watched, as he absolutely refused to sell a program to a guy who hadn't the change to tip him.

"At last a cool day—fought it out with the Paris drivers and climaxed it by having to slam on my brakes on the cobbles at the Arc de Triomphe and spinning a complete donut though somehow managing to stay right side up. Ended up facing the grill of a Citroen sedan which was fortunately going slowly. The Paris drivers consider stop-lights unsportsmanlike and, as a result, there are very few of them. Instead they just pound on the horn and floor the accelerator through an intersection.

"Still pleasantly cool—had lovely breakfast of salami and French bread sandwich, black coffee and tutti-fruitti icream. Burp."

Regarding the subway—"very clean and uncrowded — the only drawback was when they stopped they waited about 10 seconds and then the door slid closed with a mechanical thud and you just hope you are all the way through by that time. To beat rap you get to your door early and when it doen't open you race to the next one. Trying this method I got through after being clipped on the shoulder while Bill was left standing stupidly inside."

At Paris symphony: "The conductor looked like he was trying to fight off 50 million mosquitoes all at once—his face resembled a sprinter as he hit the tape."

After long ride leaving Paris: "Threw out bags in very bumpy wheat field. Awakened by farmer as he drove horse and wagon to fields. Didn't kick us out—just waved.

At Olympics—"Went to find Barbara Stark, and found, much to our horror, she had fallen through the glass shower room door and was in the hospital—will go there tomorrow and try to see her—she has six stitches nd may not compete!"

Do remember Brenda and Covina, those two hoarse-voiced, horse-faced females on the radio about five years ago who were always on the prowl to capture some unsuspecting gent? Well, with the same voice inflections and general attitude toward the same problem, we would like to croak "We have got a man!"

One-hour time elapse — whoopsie-doo, now we have four men!

Explanation — a while back we ured a couple of nice girls into writing the column for us, and it was so successful that we are going to try it again, only this time we have a husband-and-wife team for the next four editions. Mr. and Mrs. Paul Demeter, Mr. and Mrs. Beach Dean, Mr. and Mrs. Ronald Schacht and Mr. and Mrs. Thomas Telfer will be scraping together all the choice bits of news for you, and aren't you the lucky ones, though, because it will be wonderful fun to read their columns and it will even more wonderful to be releived of us for awhile. So, have a Happy time, Country Folk!

That is all.

Weimar Ladies Set Plans For Fund Raising Affair

Mindful of their assumed obligations to provide a Christmas gift for each child at the Weimar tuberculosis sanitarium, the Women for Weimar are planning a dessert brilge party to raise funds to help purchase some of the gifts.

The party will be held at the home of C. Ron Anderson on 133 El Toyonal Road in Orinda Thursday, September 25, at 1 p.m.

The committee for the affair includes Mrs. George Klement, Mrs. Ron Anderson ,Mrs. Roger Dexter and Mrs. Lloyd Farrar.

Mrs. Farrar is in charge of reservations and may be telephoned at her home on El Toyonal Road.

Table decorations for the party are being made by the Junior Women for Weimar under the leadership of Rae Littlejohn, Marilyn Jeffreys and Christine Winters.

Each Christmas with the aid of money obtained by dessert bridge parties the Women for Weimar have sent Christmas gifts to as many as 70 kiddies of the sanitarium. The women have a continuous program during the year consisting of the sending of birthday gifts to the children and the rental of movie films.

Bray Award Won By Cub Pack 52

First meeting of the new board of Glorietta Cub Pack 52 of Orinda was held last week at the home of new Cubmaster Cal Unnevehr. It was announced by Unnevehr that Pack 52 had received the Bray Award from the Mt. Diablo Council.

This award is given by A. F. Bray, president of the council, to a cub pack that has meritorious achievements and has fulfilled certain requirements during the scout year.

MUCH CREDIT for earning the honor, pack officers point out, should go to the former cubmaster, Bill Ellermeyer, and his board, which was headed by Harry Minor and Noni Doty. It was their able leadership and encouragement of all the dens in Pack 52 which aided in winning the Bray Award.

Plans and activities for the new scout year were discussed at this meeting. New officers reporting were Ed Hicks, chairman; Cal Unnevehr, cubmaster; Bob Bowles, assistant cubmaster; Walt Hafele, membership; Ken Brown, treasurer; Betty Kimball, den mother adviser: Marge Hauser, secretary; Lois Staff, records; Inez Guarneri, properties, and George Nelson, institutinoal representative.

GLORIETTA PACK 52 will meet for the first time this term on Friday evening, October 10, in the Orinda School auditorium at 7:45. Cubs will begin meeting with their respective deans starting the week of September 15 to 19.

Den mothers and the board will meet Monday night, September 15, at the home of Ed Hicks, 50 Valley Drive, at 8.

Bradley Resigns From C of C Board

Don Bradley of Bradley's Market resigned from the Board of Directors of the Orinda Chamber of Commerce at the chamber meeting yesterday noon at Casa Orinda.

Bradley resigned because of the "pressure of business."

The board then named Jack Clark of Black's Market to take Bradley's place.

In other action discussed by the chamber, Dorothy Selbach, chamber member, reported on her plan for a private bus route in the Orinda-Moraga area.

After a discussion, the chamber decided this project would be too expensive, as the area involved is so "spread out."

Little Symphony Resumes Meetings

The Orinda Little Symphony, under the direction of Dan Popovich, will hold its first meeting of the season next Wednesday, 8 p.m., in the Social Hall of Orinda Community Church. Anyone who plays an instrument is invited to be present with his instrument, as the group is desirous of increasing its strength.

Rehearsals will begin immediately for the musical program on October 11.

Although indebted to the Community Church for the use of its Social Hall, the Orinda Little Symphony is not a church group, and members of all churches are equally welcome. For further information, call Orinda 2018 or Orinda 8185.

You Must Act to Help Prevent Fires!

The following letter has been received from William Koch, inspector for the Orinda Fire Department:

"If we would call you a 'potential arsonist,' you would be insulted.

"But a fire caused by careless burning can be as tragic and as destructive as one set by a firebug.

During August, we had three grass fire. Fortunately, small ones caused by burnining in incinerators that were left unattended.

"Please comply with the simple rules of your permit, for if a fire gets started through your carelessness your permit will be revoked.

"Please cooperate for your sake as well as your neighbors.

"Thank you,
"W. Koch, Inspector
"O.F.D."

A slogan describing Orinda in seven words or less. . . .

Thats' what's being sought by directors of the Orinda Chamber of Commerce. At yesterday's meeting at Casa Orinda, the chamber board offered a $10 cash prize to the winning slogan-writer. Entries should be mailed to the Orinda Chamber of Commerce, Post Office Box 85, Orinda, and must be postmarked not later than midnight September 17.

The prize slogan will be on the membership plaque of each chamber member.

R. E. Wadsworth talked on his candidacy for reelection to the Central Contra Costa Sanitary District Board. He defended the action of the board in passing the garbage franchise ordinance, and denied that there was an attempt to rush the law through.

Ed Turk of the parking committee was instructed to write to the Board of Supervisors, asking for "teeth" to be put into the parking-limitation regulations in Orinda.

Decrease Noted In Aged Aid Here

A decrease in aged aid applications pending at the end of the fiscal year 1952 as compared with the same time a year ago in Contra Costa County has been announced by the California Taxpayers' Association.

Aged aid cases in the county included 3316 people for June, 1952, compared with 3247 for June, 1951.

Total amount of aged aid payments in the county reached $204,272 for June, 1952, compared with $203,466 for June a year ago.

BATTERY OVERCHARGING

If your automobile's battery uses an excessive amount of water, the regulator charging rate is probably set too high. Other possible causes include a defective regulator, generator or wiring.

Air Spotter Site? C.D. Head Makes Tour of This Area

In a search for an air spotter site and building for this area, George Burton, assistant director of the county civil defense program, made an inspection of the Lafayette, Orinda, and Walnut Creek area Wednesday.

"Several spots have been offered us, but we're looking for one that will serve the entire section," Burton said.

Possible sites investigated have so far included an old cement building on top of Electronic Mountain, a spot near Planters Dock and a building on the Lutheran Church parking lot in Walnut Creek.

Many people have offered their places of business as a headquarters site but Burton has declined these suggestions. "Many people will join us as volunteers, and accidents of one sort or another may occur on the property," Burton said. He cited an example of a clock that was accidentally broken in a Danville Church recently.

In order to get "Operation Skywatch" going in this area, the civil defense heads may ask the help of local associations and clubs in getting the air spotter site " in action."

"For example," Burton said, "the Lions Club in Port Chicago got a headquarters going, and it's a highly successful unit."

Last week, plans for a site offered by Howard Foulds, Lafayette real estate man, "fell through." This plan [illegible] for the headquarters to be [illegible] north side of Mt. [illegible]rd west of Pleasant [illegible]

No Shortage of Entertainment Seen For This Month's Walnut Festival

Entertainment. That'll be the watch-word at this year's Walnut Festival.

According to Walnut Festival Association officials, the lining-up of top-notch entertainment is well on its way.

IN THE FIRST place, the Recreation Center, built with previous Festival profits and to be improved this year, will be kept well occupied with amusement features, they said.

On Friday, the 19th, an hour-long variety show will be staged, with performances at 8, 9:30 and 11 p.m.

Two special stage shows for children are scheduled for 1 p.m. and 3 p.m. in the Recreation Center.

Ruth Wallis, who's in charge, said a top quality puppet show and magician act are to be included in the bill.

On Saturday evening, the 20th, the annual coronation ball will be held with music by Jack Tagg and his "San Franciscans."

The dance is scheduled to begin at 9 p.m., following the coronation of the festival queen.

IN ADDITION, adults will be entertained by the children's costume parade to be held at 10:30 a.m. Saturday, in which more than a thousand youngsters are expected to compete for prizes in a miniature of the big parade held at 1 p.m. the following day.

Arch McKinley, commercial exhibit chairman, announced he still is receiving commercial exhibitors. He said the tent promises to be one of the centers of attraction.

"It'll be worthwhile just to walk through the tent," McKinley said. "There's going to be more give-aways going on than you can imagine. At least 15 exhibitors are planning give-aways."

Jack Ready, queen contest chairman, reported ticket sales at the first count were only a day off from what they were last year.

Barney Gilbert, parade chairman, said he's been getting fine response in organizing the event's parade.

"Everybody's behind the thing a 100 per cent," Gilbert said. "All the committees are helping out to make this the best parade we've ever had."

Gilbert also expressed the hope people would apply the "suburbiana" theme to their parade entries.

TERENCE RING, association president, told the group that gambling of any kind would be out.

"We're not interested in any," he said, "or of being part of any. We want that definitely understood."

Ring also pointed out the need of a photorapher to flood bay area papers with pictures and publicity of the coming event.

Sun Advertisers Have One Gripe: Too Many Calls

Newspapers are always harping about how effective their ads are, so we of the SUN have decided to make a switch.

We claim ours' have a disadvantage —they keep our advertisers' phones ringing constantly.

For example:

Last week, Mrs. F. C. Davidson of 3623 Boyer Circle, Lafayette, advertised that she had a two-bedroom house for rent.

In desperation, Mrs. Davidson selected a tenant after 36 calls.

Said she, "All the calls gave me a chance to select some very nice tenants from the 36 nice applicants who called."

There also was the case of Mrs. L. E. Deming of 3246 Sweet Drive, Lafayette.

She had some baby things to sell so she advertised in the SUN.

"They almost rang the phone off the wall," Mrs. Deming said. "I never had any idea that so many people in Contra Costa County needed baby things so badly."

And there was another, Mrs. Sam Anastasia of 903 Margo Road, Lafayette. Mrs. Anastasia was selling a $19,000 home.

"Any calls," we asked.

"Any calls?" Mrs. Anastasia said. "I got three times as many calls from that little ad than I did after advertising three weeks in a metropolitan newspaper — and it cost me three times as little."

Morals: The postman rings twice, but the SUN'S ad readers ring forever.

Views Asked on Building Plans Of St. Stephen's

Architectural plans and perspectives for the new church building for St. Stephen's Episcopal Church, in their new revised form, were on display last Sunday before and after the service, for the purpose of inviting criticism and suggestion from St. Stephen's members.

Those in the congregation wishing to express their opinions are asked to contact the Building Committee, headed by Walter E. Christie, and including William Shipley, Harold Doane, Commmander F. B. Connell and Morris J. Browning. Members of the Building Advisory Committee are Mrs. Ida Zamloch, representing the Altar Guild; Mrs. Arthur Johnson, the Women's Auxiliary and Sherwood Thatcher, choir director.

ACCORDING TO Christie, it is most urgently requested that interested persons state their views at the earliest possible time, so that the church plans may be conclusively approved and preparations for building may go forward.

First choir practice for the fall season was held at the Community Church building on Wednesday evening under direction of Sherwood Thatcher. The Thatchers have just returned from Sioux City, Iowa, where they spent the summer visiting with friends and relatives in their "old home town."

MRS. JOHNSON has announced a board meeting for next Thursday. Plans will be made to welcome Rev. Hill and his family and also to conduct the St. Stephen's rummage sale shortly after the holidays.

On Saturday, September 27, an old-fashioned picnic will welcome the Hills and enable them to get acquainted with members of St. Stephen's. The affair will be the first all-member gathering to be held on the new church property.

Rally Day at Sunday School Of Our Savior's

Sunday is Rally Day for the Sunday School of Our Savior's Lutheran Church in Lafayette. At 9:30 a.m. a full staff of teachers will be ready to teach all ages from three and up, including adults.

Mrs. Don Kesselring will again be superintendent of the Sunday School, with Mrs. Ralph Saxton serving as superentendent of the Primary Department and Mrs. Harold Rote serving as secretary-treasurer.

The teachers include:

Primary: Mrs. James Dubail, Miss Carol Fletcher, Mrs. Oliver Graham and Mrs. Ray Laity; second grade: Mrs. Vincent Young and Mrs. Harold Karlsrud; third grade: Mrs. Harry Smith and Jay Williams; fourth grade: Mrs. Fred Dietz and Norman Rue; fifth grade: Mrs. Lewis Kummerow and Robert Ruppreht; sixth grade: Mrs. Harold Cannon and Commander A. H. Higgs; seventh grade: Mrs. Abbott Roberts and Earl Mangrum; eighth grade: Harry Smith: high school: Oliver Graham: adult Bible class: Pastor Luther Berven; Luther League advisors: Mr. and Mrs. Richard Hansen.

At this Sunday morning's services, at both 8 and 11, Pastor Berven will speak on the sermon topic, "Love, the Mark of the Christian." The "a capella" chair will sing at the 11 o'clock service.

Methodist Topic 'Streams That Don't Run Dry'

Subject of the sermon Sunday at Lafayette Community Methodist Church will be "Life Streams That Do Not Run Dry."

The sermon will be given at both the 8:30 and 11 a.m. services.

John Hardy, organist at 8:30, is director of Junior Choir being organized. Mrs. George Shoptaugh is organist at 11 o'clock.

The Senior Choir is about to resume rehearsals and special music for the fall months.

Vacancies exist in both choirs for those who enjoy music and would like to take active part in the church service.

Rev. Harry E. Shaner is pastor. Bishop George A. Miller is pastor emerituc.

Classes for younger children are held at 11 o'clock, thus allowing parents to attend the worship service without care of children during the hour. Expert care is provided for very young children.

Two Sermons at Covenant Church

"How can you tell whether you are in the right relationship with God?"

That question will be dealt with Sunday morning by Rev. Joel S. Peterson, pastor of Lafayette Covenant Church, who will take as his theme "What Protestants Believe About Justification." He will entitle his sermon, "Not by Achievement, But By Faih."

At the 7 p.m. service Rev. Peterson will begin a series of sermons on the Ten Commandments, taking as his first subject, "The First and Greatest Commandment." Mark 12:28-34 will be the basic Scripture for this sermon. Rev. Peterson says:

"Jesus said, 'Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself. There is none other commandment greater than these.'"

Bishop Miller Speaks To Rotary

Bishop George Miller of the Lafayette Community Methodist Church spoke before members of the Orinda Rotary Club during their weekly meeting Wednesday at the Willows.

Bishop Miller spoke on the "Story of El Vergel." This is a farm area in Chile which the Methodist Church has started and sponsors.

Merle Brown was program chairman.

Next week Dr. George Degnan, director of the Contra Costa County Hospital in Martinez, will address the Rotary Club.

Dr. Degnan will speak on the subject, "Your County Hospital."

Dr. Harvey B. Lyon Jr. will act as program chairman next week.

Big Art Fair Opens Tomorrow

Exhibits, Booths, Demonstrations Are on Program

A special preview for artists and sponsors, of the many attractions planned at the Fourth Annual Art Fair will be held tonight starting at 6 o'clock, at the homes of Peter, Harmon and Charles Howard in Walnut Creek.

Starting tomorrow the fair, which is sponsored by Outdoor Art Shows Inc., will be open to the public and will be held through Monday. It will open at noon each day at the Howard homes on Walnut Boulevard.

THE ART FAIR will bring to this area a painting show representative of both objective and non-objective art, with no less than 5[illegible] paintings included in the former group.

A top quality program of entertainment and Art in Action has been planned for each afternoon and evening of the fair.

Tomorrow will be Children's Day, and the feature of the afternoon will be story-telling by Chuck Levy, staff artist of KPFA. Puppet shows arranged by Gertrude Allbright and various dance groups will be included in the children's program, while dancing and music will be offered during the evening.

On Sunday, a one-act play, "Sham," will be presented. An auction of paintings and other articles will also be held Sunday, with Fred Udall acting as m.c.

Included in demonstrations of Art in Action during the fair will be:

PAINTING: Joseph Butler, Emily Dascallos, Marjorie Guyer, Katie Hessler, Hiram Meulendyke, Mary Lee Parker, Claudia Steel, Edith Dinkin, Charles Gebhart, Barbara Slade, Jessie Thomason, Muriel White and Kay Winter.

Sculpture demonstrations will be done by Helen Snyder, while working in wood, stone and weaving will be Joan Evers, Sophie Madison Mrs. Ben Dykes, Mrs. Donald Holmes and Mrs. Donald James.

Clay demonstrations will be done by Helen Falk, Janice Hertz, Bonne Pitts, Evelyn Phelps, Calvin Shafer and Eleanor Condon.

Refreshments will be on sale on the grounds of the fair at all times, with booths manned by various charitable groups in this area.

Included in these groups will be a coffee booth presented by the Artists Market and a sandwich stand which the Lafayette School P.T.A. will operate.

ST. STEPHEN'S Episcopal Church of Orinda will provide a sundae bar and have ice cream cones, while the Danville Community Church will have a cake booth.

A salad bar and prawn stand will be operated by St. Paul's Episcopal Church of Walnut Creek, Walnut Creek Auxiliary and the Seabury Club.

Flower arrangements at the fair will be under the chairmanship of Mrs. Milton Bell.

On Friday evening, Carma White of Orinda will demonstrate various arrangements; Mrs. W. B. Parker will do arrangements on Saturday, Mrs. Douglas Killbourn of Lafayette Saturday night and Irene Schnabel on Sunday.

OUTDOOR ART SHOWS, Inc., members will be on hand to direct guests during each day of the exhibition, and catalogues will be on sale at the entrance of the fair. This catalogue, which has been prepared by Mrs. Duncan Knudsen, will contain a complete list of all contributing artists and of divisions of the fair.

Exhibition committee members of the Fourth Annual Art Fair include:

Michael Czaja, director; Nancy Clough, ceramics; Bernice Plant, painting; Mildred Rackley Simon, printing; Bob Winston, jewelry; Kisa Beeck, sculpture; S. G. Culver, photography; Susan Campbell, weaving.

Carol Krueger, children's art; Dale King, furniture and accessories; Carol Kolbeck, architecture; Edith and Leon Dinkin, theater; Helen Scharmer, secretary; Hiram Meulendyke, local art groups; Virginia Barnett, program; Barbara Merrill, publicity.

Straw Hat Players Set for TV Spot

The famed Straw Hat Players, whose summer-long performance in the Lafayette Town Hall recently came to an end, will be seen during the opening hour of the third annual "Saints and Sinners Milk Fund Revue," which is to be held September 12 stating at 9 p.m. on TV Station KPIX.

GRIM? WELL, YES, BUT the Mt. Diablo Junior Chamber of Commerce intends to convey a positive note in the way of a safety-first traffic reminder with this antique hearse in the Walnut Festival parade on Sunday, September 21. The vehicle is being entered as the Jay Cee float in the parade, and also in Berkeley's Parade of Lights on the night of September 19. Junior Chamber members doing a paint-up and clean-up job on the contraption are, left to right; Bob Hickey, Len Hooper, Yates Bleuel (on top), Dick Emery and (on wheel hub) Jim Stevens.

A Few of Many Protests Which Weren't Accepted at Hearing on Rick's License

(Editor's note: The following are excerpts from some of the many letters of protest which were not admitted as evidence at last week's Martinez hearing conducted by the State Board of Equaliaztion on the application of Rick's Drive Inn for an on-sale general liquor license.)

ACALANES PARENTS Club, Executive Board (Mrs. E. E. Rowland, corresponding secretary)—referred to its resolution that:

"1. The proposed site is in proximity to Acalanes High School; the students of which frequently patronize Rick's Drive Inn after school affairs, particularly on Friday and Saturday nights.

"2. The sale of intoxicating liquors on these premises would create an atmosphere not conducive to the morals and welfare of high school students.

'3. The granting of this license would only increase the hazards confronting today's youth in the development of their best character."

JOHN S. YOUMANS, Meridian District Boy Scout executive:

Scouting has always maintained that a "Scout is Clean." At the very beginning, the Scout subscribes to the ideal of a healthy body, an alert, healthy mind, and clean habits. . . .

Let us hope that the officials who have the responsibility for deciding whether or not the issuance of this license would be detrimental to the health or/and safety of our community, will seriously consider the hazards such license would create, not only to our high school youth, but to the lives of thousands who use the Tunnel Highway every day, and who certainly do not want the added worry of meeting more drunken drivers.

H. L. CUMMINGS, County Board of Supervisors chairman:

It appears to me that in view of the fact that this particular drive-inn has been patronized by many of the teen-age group, it would not be in the interest of our young people if liquor were served at the drive-inn. There are liquor establishments in Walnut Creek and in Lafayette. The drive-inn is approximately 1.3 miles from Walnut Creek and one-half mile from Lafayette. Certainly there can be no need for another cocktail lounge in this area.

DIABLO HIGHWAY Improvement Federation (Elliot J. Hartman, chairman):

Rick's Drive-Inn and the location of their proposed bar or lounge is on the freeway route, and the State of California will purchase this property for highway right-of-way within the next few years. The increased valuation, due to having an on-sale permit and expanding their establishment, will increase the cost of purchase to the State of California and all the taxpayers of this area.

This Federation also feels that this establishment will increase an already hazardous traffic problem.

WALNUT CREEK HIGH 12 Club (H. S. Zehner, secretary):

. . . The membership placed itself on record, and authorized a written statement on its behalf, as standing unalterably opposed to the granting of any license for sale of liquor at Rick's Drive Inn, which is a popular meeting place for many of the Acalanes and Las Lomas High School students.

LAFAYETTE IMPROVEMENT Association (Raymond F. Crist, secretary):

The Lafayette Improvement Association wishes to enter its strong protest to any consideration favorable to this application for reasons quite obvious. The closeness to the Acalanes High School, plus the fact that the drive inn is a "hang-out" for many high school pupils in the evening and on weekends, does not, in our opinion, qualify the granting of a permit at this time.

SUN VALLEY Improvement Association (David Loofbourrow, president):

. . . The Sun Valley Improvement Association Board of Directors voted to oppose the granting of a liquor license to Rick's Drive Inn for the following reasons:

1. Its close proximity to Acalanes High School.
2. Many teen-agers congregate there after school and following the school's evening activities.
3. As sponsors of the newly organized teen-age club of 25 members in Sun Valley, we feel it our duty to the group to oppose the granting of this license.

Jay Cees Map Festival Plans At Swim Party

Members of the Mt. Diablo Junior Chamber of Commerce and their wives enjoyed a barbecue and swimming party at the home of Gordon Otto of Walnut Creek. Otto is the uncle of Ed Macaulay, who assisted John Kennedy as chairman of the party. Mr. and Mrs. Kennedy took complete charge of serving the food and refreshments, and were congratulated by all for doing such a splendid job.

Purpose of the event was to formulate plans for the Jay Cees' activities in the Walnut Creek Festival of September 19, 20 and 21. Under the leadership of Les Fletcher, the Jay Cees are planning to have a refreshing Root Beer Garden at the Festival grounds during the entire three days of the event. It will be staffed by the members and their wives.

For the parade to be held on the last day of the Festival, the Jay Cees are entering as their float an antique hearse with a timely theme built around it. Bob Hicky is in charge of the details for the Jay Cees' float, which also will be entered in Berkeley's Parade of Lights on the night of September 19.

Shrine Club Picnic

Contra Costa Shrine Club will hold its annual picnic tomorrow at Castle Rock Park, starting at 2 p.m.

Sam Sutherland is acting as chairman for the affair. He is being assisted by Rheule Reitz, Otis Graham, Bill Heathorn, Jess Near, and George Grantham.

School's Opening — Drive Carefully!

The timely message "School's Open! Drive Carefully!" is being sounded as youngsters prepare to return to their classes next week.

Posters carrying this message are being supplied by the California State Automobile Association to police and school officials, parent-teacher groups, service clubs and public safety organizations for posting near schools and elsewhere.

The CSAA urges all drivers to watch out for school children on foot, and to stop for school buses standing on the street or highway with their red lights flashing.

"Drivers should coeperate with the School Safety Patrols who guard classmates against traffic dangers," the CSAA points out. "They should heed the signs at school zones and crossings and remember that the speed limit is 15 miles an hour while passing school buildings when children are going to and from school and while passing school playgrounds when in use," the CSAA points out.

"School's Open! Drive Carefully!" is not a temporary warning to be remembered only at the beginning of the school term. It should be kept in mind every day of the school year.

Clune's Manager Hurls Charge of 'Freeze-Out' Try

With formation of a volunteers' organization for his election as a director of the Central Contra Costa Sanitary District, the campaign for Colonel Francis J. Clune of Walnut Creek swung into high gear this week.

At the same, Colonel Clune's campaign manager, John A. Wagner of Walnut Creek, declared that the backing of Irving C. Roemer of Lafayette, Frank W. Salfingere of Gregory Gardens and Ernest J. Spiegl of Orinda by leaders of a number of improvement clubs was "a threat to good Sanitary District administration" and an attempt to "freeze out" Colonel Clune and Vance W. Perry of Orinda and Walnut Creek.

THE FOLLOWING were announced as the nucleus for the Clune volunteers' group: Car G. Schwarzer, Mrs. Darrell C. Jensen, Mrs. Elizabeth Lohse, Mrs. J. B. Herod, J. A. DeBois and Messrs. and Mesdames Harold Le Galley, Ted Marston and H. R. Aho of Walnut Creek; Thomas A. Miller, Dwight Birch, Mrs. Geri Fry and Mr. and Mrs. Willian Benjamin of Lafayette, William E. Mantle and Mr. and Mrs. Don Harnish of Orinda, Bruce M. Herbert of Peasant Hill, C. W. Johnson of Gregory Gardens, Ralph C. Olberg of Arlene Gardens and Dave Fishel and Dewey Huggard of Concord.

President Harold Furst of the Lafayette Improvement Association, upon learning of Wagner's statement, said that the improvement clubs which met in Lafayette last week did not, as a group, endorse any candidate. (See separate story.)

WAGNER DECLARED that the report that "20 to 25 improvement associations have banded together and endorsed three me nto fill the three openings on the Sanitary District Board of Directors creates a threat to good Sanitary District administration." He continued:

"This group, if allowed to elect the three men in question, will have three of the five directors and will be able to dominate the Sanitary District to suit the wishes of that small group backing them. Since there are about 105 improvement associations and groups in the Sanitary District, this group of approximately 18 to 24 per cent of the total organizations will be in a position to dictate the policy to the much larger group not connected with this organization.

"The three men endorsed by this organization carry on the business of making their livings outside the area comprising the Sanitary District; therefore, they will be available only during the evening hours.

"THIS ORGANIZATION evidently was formed to freeze out two candidates that do possess the qualifications and the time necessary to bring good administration to the Sanitary District. These two men in question' are Colonel Francis J. Clune and Vance Perry.

"It is felt that the vast majority of independent voters will recognize the damage thtt ctn come from t minority group control of the Sanitary District and will cast their votes for strong, well-qualified inodependent cadidates."

Several Women Help Prepare T.B. Seals

Several women from this area, under the leadership of Mrs. Mel Nielsen, recently helped in the preparation of TB seals for the Contra Costa County Public Health Association.

Women who helped were the Mesdames: Paul Woods, Carbon Weber, Floyd Cowan, Charles Count, Earl Long, and Frank Buchanan of Lafayette, and Charles Anderson of Walnut Creek.

Sun Sub Rate Up Oct. 15 – But $3 Until Then!

Subscription price of the SUN is going up to $3.75 a year on October 15. Originally scheduled for September 1, the new rate has been postponed until October 15 because many people, away on vacation during August, have just returned home—and the new date gives them the opportunity to subscribe or renew the subscriptions at the present $3 rate.

Despite the fact that other papers have raised their rates several times, the SUN has delayed making such a move as long as possible. It has been several years since our subscription rates have gone up.

But now it is necessary to raise the price. Cost of newsprint has gone 'way up . . . cost of labor has mounted . . . all costs have gone up. So we can no longer put off the raising of our subscription rates.

However—if you subscribe or renew your subscription BEFORE OCTOBER 15, you can still get the SUN at the old rate of $3 a year!

Planners Study Master Park Plan

Preliminary investigation on procedure for master planning of a park and recreation program for Contra Costa County has been started by the County Planning Commission, according to Thomas Heaton, county planning technician.

In the 1952-53 budget, the Board of Supervisors allocated $8500 for study of the problem for the Planning Commission as the agency to study the matter.

Although the Contra Costa County Park Council had asked for funds for an independent park and recreation commission to conduct a survey of all needs, the board felt the Planning Commission should make the study.

Furst Denies Accusations by John A. Wagner

President Harold Furst of the Lafayette Improvement Association yesterday desrcibed as "without any basis in fact" the charge by John A. Wagner, campaign manager for Colonel Francis J. Clune, candidate for Sanitary District director, that more than a score of improvement clubs have banded together for election of Irving C. Roemer, Frank W. Salfingere and Ernest J. Spiegl "and to "freeze out" Colonel Clune and Vance W. Perry.

"The facts," Furst said, "are these:

"The August 28 meeting of representatives of improvement associations at Lafayette Grammar School was called for the purpose of figuring out some way to prevent the garbage franchise ordinance from becoming effective before the September 15 election. The meeting included discussion of possible legal action.

"IN THE COURSE of the discussion, the group went on record as being opposed to the reelection of Directors Harold W. Toland and R. E. Wadsworth. In order to be sure that there could be no basis in fact for a charge like that which Wagner has made, the group specifically refrained from endorsing any candidate as a group.

"But the feeling ran high that Roemer, Safingere and Spiegl were by far the most qualified, and on this basis all the people there, as individuals, were planning to lend their support to Roemer, Safingere and Spiegl.

"THERE IS NO BASIS in fact for Wagner's statement. The movement on behalf of Roemer, Salfingere and Spiegl got under way before Clune and Perry announced their intention to run.

"IT IS ABSOLUTELY incorrest to say that the score of improvement associations represented at the August 28 meeting endorsed those three. Therefore it follows that there was no plot to 'freeze out' Colonel Clune and Vance Perry.

"The main danger to avert in this election, as I see it, is the reelection of Toland and Wadsworth. Personally, as an individual, I favor the election of Roemer, Salfingere and Spiegl."

Award Ceremony Tonight for Art Fair Winners

Mrs. Peter Howard, president of Outdoor Art Shows, Inc., and Michael Czaja, chairman of the group, will present awards which total $1200 to artists whose work have won honors, during a special award ceremony at tonight's Fourth Annual Art Fair preview.

This ceremony will highlight the preview party for artists and sponsors, to be held at the home of Peter, Harmon and Charles Howard on Walnut Boulevard in Walnut Creek, from 6 to 10 p.m.

JUDGING OF over 600 paintings took place last Sunday, and the following is the list of award winners:

Ralph M. Johnson of Berkeley won the first prize of $250 in the oil painting group for his work, "Suspension." C. J. Magnuson won the second prize of $100 for his painting.

Honorable mention awards in this group went to Chales W. Campbell of Muir Beach, Robert Watson of Berkeley and Roy R. Schramm.

In the water color division, Roland Peterson of San Francisco won first place honors. Paul Schumaker of Albany took the second place award, and Patrick Archer of Sonora won third place prize. Honorable mention went to George Somers of Larkspur.

Leonard Edmunson won first place in the print group with his color etching, 'Plural Detail." Glen Alps of the University of Washington took second place, and Eugene Berman won the third prize.

IN SCULPTURE, Paul Frazier of Minneapolis was named as first prize winner, while Leslie M. Henry of Oakland took second place. Third prize went to Frances M. Moyer of Oakland.

Ceramic winners were Miriam Hoffman of San Francisco, first prize; Inez Butz of Danville, second, and Elena Netherby of Mills College, third.

Philip Norton of Minneapolis won first prize in the Jewelry division. Emory B. Anderson of Oakland won second prize, and Forrest M. Fulton Jr. was named as third prize winner.

Photography winners had not yet been announced at midweek.

Christian Science Sermon Sunday

"Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God" (I John 3:1). This is the Golden Text fo rthe Christian Science Lesson-Sermon on the subject "Man," to be read Sunday.

Bible citations in the sermon will include the following verse from II Corinthians:

"We all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord" (3:18).

Passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included in the sermon, one of which will read:

"The understanding of his spiritual individuality makes man more real ,more formidable in truth, and enables him to conquer sin, disease, and death" (p. 317).

Your Garden

This Is Month to Plant Daylilies for Continual May-through-August Bloom

By BERT WRIGHT

SEPTEMBER IS the time to plant one of the most valuable and easiest grown hardy perennials . . . the Heremocallis. Also called the Daylily, it offers the gardener continuous blooms from May through August. The blossoms individually last only for one day, but another will open to take its place the following day.

This perennial will grow in the sun or in partial shade and can be grown in most all parts of the United States. The soil requirements are such that with an application of complete plant food they will thrive in almost all soils. Daylilies have no serious insect or disease problems. Surely the home gardeners will welcome this beautiful, easy-to-grow plant in their gardens.

THE FLESHY ROOTS of Hemerocallis search deep for their food. Two feet is none to deep to prepare the soil for them. It should be rather damp and well supplied with plant food.

When the planting holes or beds are dug, work into and throughout the soil one pound of complete plant food per 25 square feet or one rounded tablespoonful under each plant. One stem should be a part of each root division planted. Plant at exactly the same depth they were growing.

TO HAVE DAYLILIES blooming continuously all summer you must select and plant varieties with different flowering times. For a succession of blooms try the following varieties:

Dr. Regal—orange-yellow blooms during early May and June.

Florham — golden-yellow blooms during June and July.

Gypsy—deep orange blooms during July and August.

Mrs. W. H. Wyman—pale lemon-yellow blooms during August and September.

ALL OF THE varieties listed are day bloomers, and the flowers close about 6 p.m. The Calypso variety, with lemon-yellow blooms that opens in July and early August, is an evening bloomer and is very desirable for cuttings.

Daylilies make a very attractive planting beside a pool with a background of evergreens. The hardy Amaryllis is a desirable companion flower for the Hemerocallis, and they, too, can be planted in the fall. The blooms of the Amaryllis when planted with Daylilies give the appearance of another and different blossom arising from the daylily foliage, since only the flower stalks of the hardy Amaylllis are visible at blooming time.

LEAVE THE TOPS on for winter protection against heaving. Winter mulching is advisable in northern sections of the country. Daylily plants should be lifted, divided and replanted every third year, although they will give satisfactory blooms in naturalized plantings for years without attention.

Each spring the Daylily should be fed complete plant food, working it into the soil around the plant one rounded tablespoonful per plant. This feeding is necessary to insure continuous flowering and strong erect flower stalks and stem.

These plants will thrive with a moderate amount of moisture, but frequent soil soaking will pay off in more and better blooms.

Harriet Kittredge To be Installed as Auxiliary President

Harriet Kittredge of Lafayette will be installed as president of the Ninth District, American Legion Auxiliary at its first regular meeting of the new year September 19 in Rodeo.

In charge of ceremonies will be Mrs. Cecelia McKinnon of Concord and Mrs. Larry Snelson of Martinez, both past department presidents of the auxiliary.

Those to be installed with Mrs. Kittredge include Bessie Tucker, Pittsburg, first vice-president; Edith Cooney, Antioch, second vice-president; Helen Shank, Lafayette, secretary; Inez Long, Lafayette, treasurer.

Bernice Ahern, Martinez, chaplain; Emily Blackwell, Antioch, historian; Alice Cordot, Concord, musician; Marjorie Howard, Lafayette, sergeant-at-arms, and Claire Coveney, Martinez, marshal.

Committee chairmen chosen to head auxiliary activities in the county the coming year include Mrs. Tucker, membership; Mrs. Cooney, Americanism; Mrs. Shank, press; Mrs. Long, child welfare; Violet Geyser, Brentwood, civil defense; Marjorie Dudley, Walnut Creek, community service; Maude O'Hara, Pittsburg, constitution and by-laws; Ruth Franson, Richmond, education.

Margaret Abrahamson, Concord, Girls' State; Lucille Goni, Crockett, junior activities; Dorothy Schmidt, Concord, legislation; Florence Buchanan, El Cerrito, motion pictures; Mayme Joseph, Rodeo, national security; Ada Whitcomb, Richmond, Pan American study; Ruby Sletten, San Pablo, poppies; Ida Boyle, Antioch, radio; Mrs. McKinnon, Concord, ritual, and Venice Collins, Danvile, rehabilitation.

MINOR BUT PLENTY INCONVENIENT was this traffic accident on Mt. Diablo Boulevard east of Pleasant Hill Road during the crowded period on a recent evening. Russell T. Dale of Walnut Creek, mechanic, is jacking up the rear of a car so as to free it from the front of the car behind. The two eastbound autos tangled in a rear-end collision. Watching, left to right, are Milton Haxton of San Francisco, driver of the jacked-up car, and an unidentified deputy sheriff. The rear car was driven by Mrs. Jane White of San Francisco. Fortuntely, no one was injured. This vicinity is one where many accidents have occurred. —SUN photo by Earl Reed

EXCESSIVE SPEED

The faster you go, the harder you hit! Excessive speed was a factor in 35 per cent of the nation's 37,300 motor vehicle deaths last year, according to "Accident Facts," the National Safety Council's statistical yearbook.

Camera Club Set Picnic Date

The Contra Costa Camera Club has changed its next meeting date from September 9 to the 23rd, at which time new officers will be elected. Installation will be held September 26 at the annual dinner at the Orinda Roost.

A field trip and picnic will be held by the club Sunday at Niles Canyon.

The group held its regular monthly print and slide competition last week with deThentini, Rhoades and Fender judging the beginners' prints deThentini, Rhoales and Dippo the advanced group and de Thentini the slides.

Selections were: Beginners; Dick Allman, first, second and third; Don Hanson, fourth; N. A. Wahlberg, fifth.

Advanced: Guy Spencer, first; James Hokanson, second; McVicker, third and fourth; Dick Fender, fifth.

Colors: Ben Randall, first; Mrs. Irene Spencer, second and fifth; Ed Nelson, third; Dick Alman, fourth.

New Civil Service Positions Opened

Final filing date for civil service senior clerk, stenographer and general clerk positions has been set for next Tuesday, according to the East Bay Municipal Utility District.

Applications may be obtained at the EBMUD office, 3533 Mt. Diablo Boulevard. Examinations have been scheduled for Friday, September 19.

Orchard Nursery, County Win Honors

Taking high honors, the Orchard Nursery of Lafayette won over 10 awards during recent judging in the plant competition at the California State Fair.

The nursery took first place awards in field grown pink roses, greenhouse grown roses, gladoli, Primula obconica and in the "garden for functional living" class.

Other Orchard Nursery awards include second place in the Paulia collection, field grown roses, tuberous begonias field and the tropical blooms from outside the United States classification.

THIRD PLACE honors included awards for the delphinium class, the tuberous begonias and the fuchsias hanging baskets.

Dahlias, which were provided by R. E. Harter, took a second place award in the entire state.

Mr. and Mrs. Gale R. Harris of 2710 Oak Road, Walnut, Creek, placed third in the hunter division of the horse show at the State Fair.

With 10 first, 12 seconds and six third place awards in plant vegetable section judging, Contra Costa County won top honors in the plant vegetable sweepstake class at the Fair.

First place awards were for the following: Kentucky wonder beans, brussels sprouts, round head cabbage, cauliflower, okra, garden peas, rhubarb, spinach, summer squash, white scallop and yellow crookneck.

SECOND PLACE honors included awards for artichokes, green podded bush beans, lima beans, sprouting broccoli, flat head cabbage, red cabbages, celery, Utah or green vegetable, gherkins, endives, crisp 'head lettuce and summer squash, zucchini.

Wax podded beans, blue lake pole beans, swiss chard, cucumbers, eggplant ,commercial size and anaheim chili peppers accounted for third place.

By placing second in roses and third in ornamental plants, Contra Costa County won third sweepstake honors in the feature exhibits of floriculture products at the fair.

CONTRA COSTA and Napa tied for fourth place in pear judging at the fair with a second place for Glout marceau, and a third place for bose and winter nellis.

In agriculutral and horticultural products Contra Costa placed second.

Gower, legrande, quetta and stanwick nectarines brought second place honors to Contra Costa.

The county placed third for its black malvoisie wine grapes.

Letter to the Editor

Dear Editor and
Mrs. Shirley Hawley:

Congratulations on your excellent article on the Mt. Diablo Therapy Center. I am sure that the material you presented in the SUN will draw a good deal of attention to the operation of the Center and to the good work that it is doing in the community.

Another purpose that your article serves of course, is to give recognition to the community leaders involved with the Center.

I shall look forward to your coming article on the auxiliaries who are organized in support of the Center.

Very truly yours,
Carl J. Ross, Executive Director

Grid Lads 'Sweat It Out' in Practice; Opening Contests Only Two Weeks Off!

By ERWIN MATTSON

THE MAD FOOTBALL SEASON is really here, with college and prep ball players literally sweating it out as they get ready for opening games two weeks hence.

The Acalanes Dons have been holding practices under the arc lights in order to avoid the heat of the day and some 90-odd candidates have been on hand at each practice session.

At this stage of the game everyone is wondering how they will even be ready for the opener on September 19 against Piedmont High.

Positions are wide open at this point and the tentative lineup will undoubtedly change several times between now and game time.

To date, no transfer players have shown. Several frosh and sophomores have put in their appearances but none who have played any varsity ball.

TWO-A-DAY PRACTICES go into effect starting today, in an effort to get a better line on players and get in the necessary drill on basic fundamentals.

Chalk talks are planned for noon each day, in order to cover the theory side of play and to provide a question — answer period.

A linesman must know what a back has to do, and a back has to understand the work of the linesman, if they are to function smoothly as a team.

LAS LOMAS HIGH enters the football picture for the first time this season as they enter a Junior Varsity eleven in league play.

Coach Callow has problems all his own, with a green squad, none of whom have ever played any football other than the touch tackle variety, plus the fact that his field is new and not quite ready for rough usage, plus the fact that his football gear is late in arriving.

More than 40 candidates have signed up for the grid team at Las Lomas, and if enthusiasm means anything, which it does, look for Los Lomas to field a good, representative team which I predict will become a Contra Costa grid power in the not-too-distant future.

FOOTBALL TEAMS are not the only ones to start practice.

The opening night of practice at Acalanes found the cheer leaders and band on hand and going through their practice drills along with the grid players.

The Don Band was an outstanding unit last year and has grown larger this year, promising to be the best yet.

Many stunts and surprises are planned for the grid season, all of which will add to the color of the games and spectator entertainment.

A most important factor in any team's success is the support it receives from the stands via the medium of the yell leaders. This year's leaders appear to be really "on the ball" and to have lots of plans and, what's more important, they are putting in the hours of work and effort necessary to carry out those plans.

IN LINE WITH the football theme, I have been observing the University of California Bears during the past week in their practice sessions.

They have some 90-odd candidates on hand, and they look to be as fine a bunch of players as one could wish for. Depth, experience and attitude appear to be present in ample quantities to result in another Rose Bowl excursion.

U.C.L.A., Washington State and U.S.C. all appear to be top clubs, and the Bears are not a cinch, but a bet on the Bears on any given Saturday looks to be more of an investment than a gamble.

Lloyd Torchio, former Don ace, is making a strong bid for the varsity squad and is well thought of by the coaching staff. He has newly acquired contact lenses, which will no doubt aid him in the end, but at present he is finding it a bit difficult to get adjusted to their use.

Two other Dons of past years are Jack Stirton and Clark McBride, who report to Cal for grid duty on September 15.

Thrills Assured For C.H.P. Show

A colorful review, roaring hardtop races, demolished cars and gate prizes all were on the program as plans were completed for the Seventh Annual Benefit show to be staged Tuesday night by the Martinez Squad of the California Highway Patrol Association for its widows and orphans.

Captain George A. Belon, general chairman, said the show at Pacheco Stadium, to start at 7 o'clock with the time trials, is expected to be one of the most thrilling spectacles in the annual affair's history.

Eight cars will be demolished in a "Destruction Derby" as members of the patrol try to "wreck them" instead of preventing wrecks.

Band music, a marching review, specialty acts and the braak-neck races themselves will provide a full evening.

Tiny's Hut Snags Softball Loop Title 4th Straight Time

Tiny's Hut, under the guiding hand of manager Les Lloyd, came through with a 9-3 win over the W. C. Merchants on Thursday, August 28 and with the win went the title for the 1952 Softball season.

TINY'S NINE had already captured first half honors and by copping the second half eliminated any necesesity of a playoff series.

The game was a thriller for the fans and a tense one for the players as it was three all going into th sixth frame only to have Tinys explode for six runs on four hits plus two batters hit by wild pitches and a walk.

HARRY DUNHAM was the winning thrower as he whiffed nine while giving up seven hits.

Art Heasel was on the losing end striking out six, giving up eleven hits and walking two.

DUNHAM'S CONTROL was tops as he yielded nary a walk and proved most effective when the blue chips were down.

Frankie Leintz was the winner's leading sticker when he banged out a single and double in two tries at the plate while teammate Dave Pereira collected a pair of singles in four tries.

IN THE ONLY other scheduled game of the evening Sears forfeited to V.F.W. when they failed to show with a full nine.

In the season's finale on Friday, August 29, the V.F.W. posted a 4-1 win over the W. C. Legion with John Hensen throwing a three hitter for the win with Gus Teichera thhowing a nifty four hitter himself.

Far West Meet – Barbara Stark Does It Again!

Barbara has done it again!

By cutting two seconds off the old national mark set in 1946, Barbara Stark, 15-year-old daughter of Dr. and Mrs. R. A. Stark of 655 Manzanita Drive, Orinda, bettered the American women's 200-meter backstroke swim record during the Far Western Championships held at Fleishhacker Pool in San Francisco last weekend.

BARBARA WAS clocked in at 2:46.7 and thus snapped the six-year record held by Suzanne Zimmerman of Portland.

This time also established a new Far Western record, set by Miss Zimmerman in 1948 at a time of 2:50.2.

Barbara, who placed fifth in the Olympic 100-meters, swam for the Berkeley Women's City Club.

IN OTHER EVENTS, Sally Pedder, daughter of Mr. and Mrs. Jack Pedder of Tunnel Road, placed first in the 200-meter relay junior event and second in the 800-meter relay senior event.

Sally also placed third in both the junior 100-meter backstroke and the junior 100-meter individual medley. She also took a fourth in the 400-meter women's freestyle race.

Sally Freedman, daughter of Mr. and Mrs. Ted Freedman of 37 Vallecito Lane, Orinda, won a first place in the 200-meter relay and second place in the 800-meter relay along with Sally Pedder.

Charles Knobel, son of Mr. and Mrs. Fred Knobel of 3713 Mt. Diablo Boulevard, was unable to place in the victory column. Charles had just turned 15 and was the youngest swimmer in his age-group.

Spotlighting the Strip...

By KITTY COLE

With the passing of Labor Day, we see the end of summer and the back to school rush is on, and millions are packing the camping equipment away and preparing to return to the daily drudgery.

While I was out of town, HAL VAN ALLEN, DANNY'S brother, had a birthday, ditto MARGE O'BRIEN. So a belated "Happy Birthday" to you both. PAUL'S VILLAGE wearing its smile at half mast this week, because of the death of one of the spot's favorite customers, pilot BRUCE TOWERS.

HELEN HAINES has a new office adjacent to HAL'S Gave up her spot next to the EL CHARRO so that FRANK GARCIA could enlarge his restaurant. Beeg business, she tage beeg space. (Aside to Miss Cole: leave the comedy to the comedians).

MR. and MRS. S.O.S. (SOLOMON O. SCHEYER to you) owners of the eatery which bears their initials, are on an extended tour of the country, culminating in NEW ORLEANS, which is their home town . . . The last few breakfasts at EL NIDO, have been sparked by a great talent in the person of one MARTY ALLEN, currently at the ITALIAN VILLAGE in San Francisco. This fellow is a natural comedian, and one of the funniest I have ever seen. His waiter routine has been imitated by JERRY LEWIS of the MARTIN-LEWIS team, and of which there is no greater form of flattery than. Boy! Did I mix that one up? And to think I got an "A" in English.

The SOCIETE des GENTILS-HOMMES CHEFS de CUISINE (Society of Gentlemen Food Chefs) of which MILT NELSON is a prominent member, is a club composed of business men from a variety of fields, who are amateur cooks, and who get together once a month to swap ideas on the "delights of good eating and drinking."

DANNY VAN ALLEN'S sensational new food idea is really catching on. He has had to hire another cook to take care of the increased business . . . DICK'S, RICK'S at the Monument, is already taking its place in the sun. The spot, so long just dead wood, has a new look, and have you taken a good look at the car-hops? Real George!!!
